YOUR MEMBER HANDBOOK HAS BEEN CHANGED TO INCLUDE ADDITIONAL SERVICES

Dental Services

Starting January 31, 2024, SelectHealth from VNS Health will be covering crowns and root canals in certain circumstances so that you can keep more natural teeth.

In addition, replacement dentures and implants will only need a recommendation from your dentist to determine if they are necessary. This will make it easier for you to access these dental services.

To learn more about these services, call us at 1-866-469-7774 (TTY: 711).

Thank you for your membership with SelectHealth. Anytime you have questions about your plan, we are here to help.
