School-Based Health Center Services

Starting **April 1, 2025**, SelectHealth from VNS Health will cover services from School-Based Health Centers (SBHC).

What are SBHC services?

An SBHC is located in a school and is available to the students enrolled in that school. SBHCs offer a variety of primary medical, social, mental health, and health education services including, but not limited to:

- Health check-ups and well-child visits,
- Diagnosis and treatment of injuries and sickness,
- Diagnosis and ongoing care of chronic health problems,
- Family planning and reproductive health services,
- Dental services such as oral exams and fluoride treatments, and
- Some SBHCs have dental clinics which also offer cleanings, fillings, and other preventive and restorative services.

To learn more about these services, please call us at 1-866-469-7774 (TTY: 711).

Thank you for your membership with SelectHealth. Anytime you have questions about your plan, we are here to help.
