Behavioral Health Appointment Standards

Use the following list as the **appointment standards** for our limits on how long you may have to wait after your request for a behavioral health appointment:

- Initial appointment with an outpatient facility or clinic: 10 business days
- Initial appointment with a behavioral health care professional who is not employed by or contracted with an outpatient facility or clinic: 10 business days
- Follow-up visit after mental health/substance abuse emergency room (ER) or inpatient visit: 5 business days
- Non-urgent mental health or substance abuse visit: 5 business days

If you are unable to schedule a behavioral health appointment within the appointment wait times listed above, you or your designee may submit an access complaint to SelectHealth from VNS Health by telephone, 1-866-469-7774 (TTY: 711) and in writing to the address below to resolve this issue.
